

MENTORING- NEXT STEPS

Your first step to becoming involved in the Mentoring Ministry is to attend the Informational Coffee. At the Coffee you will learn the joys, blessings and responsibilities of mentoring. If you decide to become involved . . .

Your second step, which takes place at the Informational Coffee, is to indicate how you want to be involved (mentor, mentee, prayer supporter). Our Prayer Team then asks God to direct us how to match the three of you together.

Your third step is to attend the Kick-Off & Training Night where you will receive encouraging training and meet your 3-member mentoring team (mentor, mentee, and prayer supporter). Attendance at both the Informational Coffee and the Kick-off & training Night is required to participate in the mentoring ministry.

Your fourth step is to then enjoy and grow in your mentoring relationship over the next six months.

Your last step is to attend the Pot-Luck Celebration, the official ending of your commitment time, in the Fall (date TBD). We believe you will surely experience Psalm 145:4 which says “One generation will commend Your works to another; they will tell of Your mighty acts.”
