# PRAYER

## The Power of Crying Out

The Practice of Prayer

Text: Luke 11:1

William Carey “Prayer – secret, fervent, believing prayer – lies at the root of all personal godliness.”

How do I grow in the spiritual discipline of prayer?

Decide to pursue godliness! “one of His disciples said to Him”

Establish a routine! “It happened that while Jesus was praying in a certain place”

Learn by praying!

Andrew Murray “Reading a book about prayer, listening to lectures and talking about it is very good, but it won’t teach you to pray. You get nothing without exercise, without practice. I might listen for a year to a professor of music playing the most beautiful music, but that won’t teach me to play an instrument.”

A priority, a place, a pattern

Pray with others!

“Lord, teach us to pray just as John also taught his disciples.”

Learn by listening.

Learn by observing.

Learn by participating.
